### DATABASE USER MANUAL - VIRTUAL LIBRARY 2024

This manual will allow UPSE community users to take advantage of the tools offered by the different databases available in the virtual library to strengthen research capacities and guarantee access to information.

- Access to virtual library databases can be from:
- Library website: <https://www.upse.edu.ec/biblioteca/>
- Academic Management System SGA

Access from the library website.

From the UPSE website, select the services option, and then the library.

<https://www.upse.edu.ec/>

On the library page, select the Services option, then the Database option. The system will ask you to log in through the Proxy; you must authenticate yourself as a member of the UPSE community.

How to access the SGA Academic Management System

Access is available through the Universidad Estatal Península de Santa Elena website, [www.upse.ed.ec](http://www.upse.ed.ec), by selecting: Servicios—Sistema de Gestión Académica (SGA).

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

Log in with the assigned credentials.

Select the Virtual Libraries option.

The screenshot shows the UPSE SGA (Student Management System) interface. On the left, a sidebar titled 'OPCIONES' lists various modules: Planificación Docente, Desempeño Docente, Tutoría, Movilidad Estudiantil, Biblioteca (which is highlighted with a blue box), Encuesta Satisfacción, Bibliotecas Virtuales (which is highlighted with a green arrow), Prácticas pre-profesionales, Mundo CARD, SGA Investigación, Horario, and Vinculación. The main content area features a large 'CALENDARIO ACADÉMICO GENERAL' for the Periodo Académico Extraordinario (PAE). The PAE schedule is as follows:

SEMANA 1	8 - 12 ENERO	Matrículas 10 y 11 de enero / Inicio de labores. Inicio de Clases: 12 ENERO
SEMANA 2	15 - 19 ENERO	Clases PAE
SEMANA 3	22 - 26 ENERO	Clases PAE
SEMANA 4	29 ENERO - 2 FEBRERO	
SEMANA 5	5 - 9 FEBRERO	

Below the PAE, the 'DÉMICO ORDINARIO' section shows the following weeks:

SEMANA 1	18 MARZO	SEMANA 2	25 MARZO	SEMANA 3	01 ABRIL	SEMANA 4	08 ABRIL
SEMANA 5	15 ABRIL	SEMANA 6	22 ABRIL	SEMANA 7	26 ABRIL	SEMANA 8	06 MAYO
SEMANA 9	19 ABRIL	SEMANA 10	26 ABRIL	SEMANA 11	03 MAYO	SEMANA 12	10 MAYO

On the right, there is a 'DÉMICO ORDINARIO' section for weeks 1-5 of August.

You must authenticate as a member of the UPSE community; afterwards, Proxy will request your institutional email credentials.

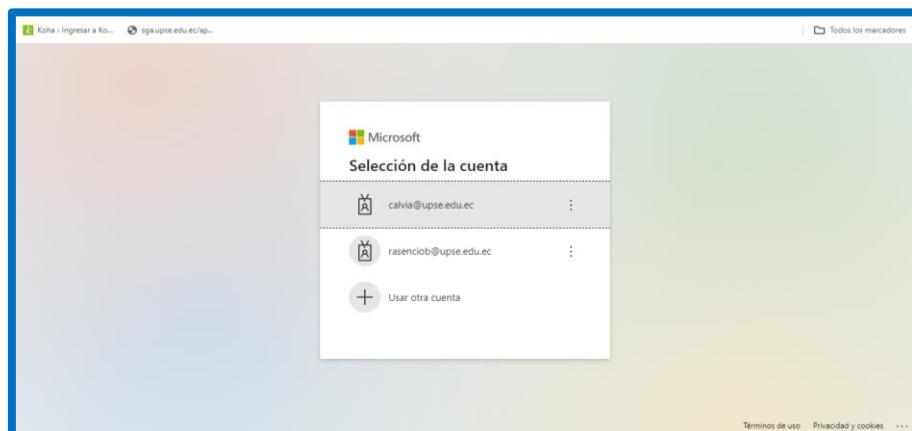

The screenshot shows the MuseProxy login page for the UPSE Virtual Library. The top bar reads 'MUSE KNOWLEDGE PROXY Inicio de sesión único'. The main area features a large 'UPSE ¡crece sin límites!' logo with a person reading a book. To the right is a box for 'BIBLIOTECA VIRTUAL UPSE' with the text 'Estudiantes, Docentes'. At the bottom, there is a small 'MUSE GLOBAL' copyright notice.

## BIBLIOTECA GENERAL

A screenshot of the library's website. The header includes the university's name and a user profile for "Alvia Zambrano, Carlos Antonio". Below the header is a search bar and a navigation menu with categories like "All categories", "Otros recursos", "Libros Electrónicos", and "Artículos Científicos". The main content area displays a list of electronic resources, each with a small icon and a brief description. For example, "Cepweb" is described as "Legislación ecuatoriana actualizada a diario, enriquecida con concordancias, titulación de...".

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

### Meta-search

Through this tool, you can perform searches and obtain results from all the bibliographic resources available to the UPSE university community, whether in digital format or bibliographic information of printed materials. By drawing from multiple sources, the information provided is completer and more varied, thus saving the user a significant amount of time.

This service is available on the library's website.

<https://www.upse.edu.ec/biblioteca/>

A screenshot of the UPSE Biblioteca General website. The page features a yellow header with the text "Horarios de atención" and "Lunes a viernes 8:00 a 17:00". Below this, there is a circular image of a smiling woman holding a book. The main content area is titled "METABÚSQUEDA" and includes a sub-section "Herramienta que permite buscar en todas las Bibliotecas Virtuales de UPSE". A search bar contains the text "PSICOLOGÍA EDUCATIVA" and a "Buscar" button. The footer of the page includes the UPSE logo and the text "anet de Koha", "Ouriginal", "Sysmon2 - Login", "Compilatio", "Jurisprudencia", "Nueva pestaña", and "Ebooks7-24 estadist...".

### Functionality

- To perform the search, type the desired term and click the search option.
- When the results appear, the bibliographic information of all the documents retrieved from all available databases and repositories for the UPSE community will be displayed on the right side.
- On the left side, you will find 'filters' that can be applied, such as:
- Search by resources (databases, repositories, etc.)
- Journal
- Year of publication
- Related words
- Author

- The system will request that you authenticate as a member of the UPSE university community; for this purpose, you must use the same credentials as your institutional email, as demonstrated at the beginning of this manual.
- It is essential to keep in mind that:
  - The printed texts are available in the respective library.
  - The user can access all the documents' digital information without creating accounts for each database; however, to activate certain functionalities on some platforms, it is necessary to create access accounts. This information is detailed below.

**LEER LITERATURA**

Acosta Peñaloza, Carmen Elisa

El paso de una historia del lector a una historia de la lectura lleva a formular y resolver interrogantes en torno a la relación literatura, historia y sociedad. Son múltiples las perspectivas que permiten leer el pasado latinoamericano y colombiano a partir de aquellas prácticas en las que tanto los lectores como los personajes dieron una función a la literatura.

Problemas como los gestos en el lectura, la lectura como participante en la construcción de la nacionalidad, las bibliotecas ejemplares en la conformación de lectores, los libros que ordenan los mundos, el personaje lector viajero, la lectura en la novela histórica y el lector frente al pasado colonial novelado, son algunos de los caminos que proponen estos ensayos como manera de abordar los problemas que frente a las diversas tradiciones se enfrenta el lector ante el siglo XXI.

### CEP WEB SOFTWARE LEGAL

It is an updated legal software online, containing Ecuadorian legislation, enriched with cross-references, article titling, details of reforms, dictionaries, jurisprudence, practical cases, explanatory and supplementary notes, which aid in a better understanding of the legal norm; it also features innovative and simple search engines that facilitate quick and accurate access to the necessary information. There are no limitations on downloading any document.

#### Contents:

**Daily updates:** Summary of what is published daily in the Official Registry.

**Bills:** Proposed rules to regulate the legal life of the country, presented by Assembly Members, the President of the Republic, or by citizens in general.

**Official Record Texts in PDF format:** Complete, issued, and authorized by the competent authority.

**Current Legislation:** Organized and systematic legal regulations of Ecuadorian law.

**Absolution of Consultations:** Compilation of all the responses issued by the various oversight agencies: Attorney General's Office, Internal Revenue Service (SRI), Ecuadorian Customs Service (SENAE as per its initials in Spanish), and Legal and Corporate Doctrines of the Superintendence of Companies of Ecuador.

**Regulatory Evolution:** History of the amended legal regulations organized chronologically.

**Repealed Legislation:** Legal regulations that have lost validity but still hold importance.

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

International Treaties signed by Ecuador: Bilateral and Multilateral International Norms.

Legal Doctrine: Texts that reflect the legal thought of legal scholars.

Case law: Compilation of rulings issued by the highest judicial authorities such as:

- National Court of Justice
- Supreme Court of Justice
- Constitutional Court
- Constitutional Tribunal
- Electoral Contentious Tribunal
- Andean Court of Justice
- Triple Reiteration Rulings

Case studies: models, formats, flowcharts, calculations, citizen procedures guide, among others, that practically reflect the application of the regulations by subject matter.

Dictionaries: Compilation of legal terms within Ecuadorian legislation, by subject

Search engines by keyword criteria

Allows entering any search criteria; the system recognizes words and does not consider prepositions such as (to, the, of, etc.).

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

The screenshot shows the cepweb software legal interface. At the top, it says "Bienvenido Universidad Estatal Península de Santa Elena UPSE, cepweb es un software legal completo de información jurídica." Below this, there is a search bar with the placeholder "Para iniciar usted puede realizar una búsqueda, o elegir una de las secciones del menú superior." and a "Buscar" button. There are also radio buttons for "Frase Exacta", "Todas las palabras", and "Cualquier palabra". To the left, there is a sidebar with "NOVEDADES JURÍDICAS" and a list of categories: Novedades del Registro Oficial, Biblioteca de Registros Oficiales, Biblioteca de Ediciones Jurídicas, Biblioteca de Ediciones Constitucionales, and Proyectos de Ley. To the right, there are sections for "AYUDA" (Manual de Uso), "MI CUENTA" (Editar Cuenta, Mis favoritos, Cerrar Sesión), and a "Soporte fuera de línea" button.

Entry buttons to the documents.

In the search results, you will find the following buttons:

- Allows opening the document, organized article by article.
- Allows viewing the Official Registry where the document was promulgated.
- Displays the record with complete information about the document. Example: name, number, status, publication date, etc.
- Allows you to view and download the document in PDF format.
- Allows you to mark the document as a favorite

### Features

### BIBLIOTECHNIA DATABASE

BiblioTechnia contains e-books in Spanish in a perpetual single-user mode, from renowned publishers such as Elsevier.

#### Functionality.

The resource is configured so that the university community can access it directly without prior authentication.

When viewing a copy, you will find the bibliographic information and the 'PDF' option to access the full text. At the bottom, the summary of the copy is displayed.

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

The screenshot shows a digital library interface for 'BiblioTechnia LIBROS ELECTRÓNICOS'. The main content area displays a book cover for 'VOLUMEN 2 Guías de enfermería obstétrica y materno-infantil Cuidados prenatales' by Helen Baston and Jenny Hall, 2nd edition, published by ELSEVIER. The cover features a photograph of a pregnant woman and her partner. Below the cover, a red button labeled 'PDF' is circled in red. The page also includes the author's name, Helen Baston, and a brief description: 'El presente título, trata sobre la prestación de atención segura y eficaz durante el embarazo y la preparación al parto. Parte de la preparación del escenario y explora el papel de la matrona en el contexto de la orientación profesional y nacional. En él se explica el modelo de rompecabezas para la atención de enfermería obstétrica, y se presenta un marco de'

In the text view, you will find the options menu:

- Previous page, next page.
- Go back.
- Go to the bookshelf.
- Add and view notes.
- Change the presentation mode.
- Highlight

The screenshot shows a digital document viewer with a red book cover for 'VOLUMEN 2 Guías de enfermería obstétrica y materno-infantil Cuidados prenatales' by Helen Baston and Jenny Hall. The viewer includes a toolbar at the top and a context menu on the right side with options like 'Ir a la primera página', 'Ir a la última página', 'Girar hacia la derecha', 'Girar hacia la izquierda', 'Activar herramienta mano', and 'Propiedades del documento'.

It is recommended to log out once your session ends so that the text is available for another user to consult.

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

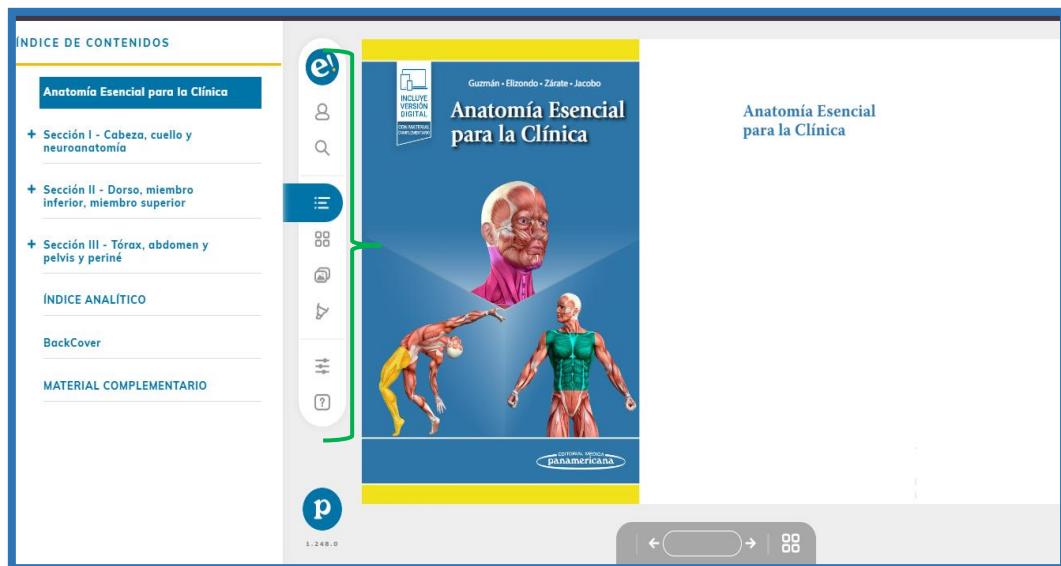

### Eureka Database

This database gathers specialized content from Médica Panamericana publishing. The consultation mode is full-text access to e-books on topics related to medicine and health sciences.

#### Characteristics:

- Search using keywords and logical operators.
- Search by specialty, author, publication date, and publisher.
- Open content, collapse and expand control panel.
- Tools: go to previous page, current page, add bookmark, highlight text.
- Help manual for optimal use of searches.
- Resources: with an option to download images.
- Supplementary material.

**Search.** - Allows retrieving information in all contracted titles.

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

When opening the content, the toolbar with functionalities, including the table of contents, is displayed.

The screenshot shows a digital textbook interface. On the left, a vertical toolbar includes a search icon, a magnifying glass, a table of contents icon, a navigation icon, and a help icon. The main content area features a blue header with the text 'Sección I' and 'Cabeza, cuello y neuroanatomía'. Below the header are three anatomical illustrations of the human head and neck: a lateral view of the brain, a frontal view of the face, and a posterior view of the neck. To the left of the main content is a table of contents for 'Anatomía Esencial para la Clínica', with 'Sección I - Cabeza, cuello y neuroanatomía' highlighted in blue. Other sections listed include 'Sección II - Dorso, miembro inferior, miembro superior' and 'Sección III - Tórax, abdomen y pelvis y perine'. Below the table of contents are sections for 'ÍNDICE ANALÍTICO', 'BackCover', and 'MATERIAL COMPLEMENTARIO'. To the right, a chapter titled 'CAPÍTULO 1 Cabeza' is open, with a sub-section 'Introducción' and a detailed description of the head's structure and its relationship to the nervous system. A table titled 'Tabla 1-1. Capas de la piel cabelluda' is also visible.

### ONE PETRO DATABASE

The OnePetro platform is a database with technical literature related to the oil industry. It allows users to search and retrieve information from a wide range of technical and scientific publications related to the exploration and production of oil and gas. The platform is supported by 21 publishers, providing access to more than 200,000 full-text scientific articles with download options.

#### Types of searches.

a.- **Basic or simple search:** Finds scientific articles that are related to or match the entered keywords. This option is located at the top left of the platform.

b.- **Filtered search:** allows you to filter the number of results using the following options: document type, subject, publisher, conference series, and date range.

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

The screenshot shows a search results page for 'contaminación ambiental' on the OnePetro platform. The search bar at the top contains the query. Below the search bar, there are filters for 'Formato' (including 'Documentos de actas', 'Artículos', 'Emissions atmosféricas', and 'Evaluación y gestión'), 'Actualización de' (with a 'Actualizar Búsqueda' button), and 'ASignaturas' (with a 'AGREGAR TÉRMINO' button). The main results list shows a single document titled 'Impacto prospectivo y potencial de las comunidades biológicas en estructuras metálicas de aguas profundas en el sur del Golfo de México' by M. Galicia, M. Salazar, D. López-Veneroni, and Editorial NACE International. The document is from CORROSION 2009 and is listed under 'DOCUMENTOS DE ACTAS'.

c.- **Advanced search:** retrieves information on specific topics or content. Within advanced search, there are the following options: Content I have access to, select a filter, date range, by citation, or DOI search.

The screenshot shows the 'Búsqueda Avanzada' (Advanced Search) interface. A green arrow points to the 'Búsqueda Avanzada' button in the top navigation bar. The search form includes fields for selecting a content type ('Contenido al que tengo acceso' or 'Todo el contenido'), creating a search query ('Ingresar término de búsqueda'), and specifying search parameters ('Coincidencia exacta'). Below the form, a cookie consent message is visible.

d.- **Magazines:** view all available magazines in alphabetical order; in addition, this type of search includes options to browse by magazines and search by publisher.

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

e. **Conferences:** This site offers a wide range of the most recent conferences, papers, or scientific articles; in addition, it has options for internal search, browsing by series, search by editors, and by year.

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

The screenshot shows the OnePetro website with a search bar and navigation links. The 'Conferences' link is highlighted with a green box. The main content area is titled 'Actas de la conferencia OnePetro' and discusses the submission and presentation of papers at conferences.

The screenshot shows the OnePetro website with a search bar and navigation links. The 'EDITORES' link is highlighted with a green box. The main content area features the OnePetro logo and text about the library for the oil and gas industry.

f.- **Editors:** Allows searching in more than 21 publishers registered in the database.

The screenshot shows the OnePetro website with a search bar and navigation links. The 'EDITORES' link is highlighted with a green box. The main content area is titled 'Navegador por editor' and lists several publishers: API (Instituto Americano del Petróleo), ARMA (Asociación Estadounidense de Mecánica de Rocas), and ASSP (Sociedad Estadounidense de Profesionales de la Seguridad).

Tools.

a.- The PDF option enables the download of the full-text scientific article.

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

The screenshot shows a search result for an article titled "Impacto prospectivo y potencial de las comunidades biológicas en estructuras metálicas de aguas profundas en el sur del Golfo de México". The article is from the CORROSION 2009 conference, held in Atlanta, Georgia, from March 22 to 26, 2009. The abstract discusses the potential impact of biological communities on metal structures in deep waters of the Gulf of Mexico. The interface includes a sidebar for "NACE CORROSION", a navigation bar with links like "HOGAR", "ULTIMA CONFERENCIA", "TODOS LOS AÑOS", "OTROS PROCEDIMIENTOS", and "VISITA NACE".

b.- Bibliographic citation of the article.

The screenshot shows a citation sharing interface. The citation text is: "Galicia, M., Salazar, M. y D. Lopez-Veneroni. "Impacto prospectivo y potencial de las comunidades biológicas en estructuras metálicas de aguas profundas en el sur del Golfo de México". Documento presentado en CORROSION 2009, Atlanta, Georgia, marzo de 2009." Below the citation, a list of citation sharing options is provided, including "Ris (Zotero)", "Administrador de referencias", "EasyBib", "Sujetalibros", "Mendeley", "Documentos", "EndNote", "RefWorks", and "BibTex". The interface includes a "Pantalla dividida" (split screen) button, a "PDF" button, a "Citar" (cite) button, and a "Cuota" (quota) button.

c.- The platform allows users to share information on different digital media, such as Facebook, Twitter, LinkedIn, and email.

The screenshot shows the same article abstract as the previous screenshot. A sharing menu is open on the right side of the screen, listing "Facebook", "Gorjeo", "LinkedIn", and "Correo electrónico". The sharing interface includes a "Pantalla dividida" button, a "PDF" button, a "Citar" button, a "Cuota" button, and a "Situs de búsqueda" (search site) button.

## BIBLIOTECA GENERAL

### SCOPUS DATABASE

Scopus is a database of bibliographic references (only abstracts of scientific articles) and citations from the company Elsevier, featuring peer-reviewed literature and high-quality web content. It provides tools for tracking, analysis, and visualization of research, includes patents, and covers 40 languages.

To use this platform, you must create an account.

#### Account creation

- To access this platform, whether on or off campus, you must do so through the Library page – Services – Database – Virtual Library. You can also access it through the Academic Management System (SGA).
- Click on the 'Create an account' option, enter your institutional email, first and last names.

Generate a key that meets the specified conditions.

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

A screenshot of a registration form for Elsevier. The form is titled "Registro" (Registration) and includes fields for "Correo electrónico" (Email) containing "calvia@upse.edu.ec", "Nombre de pila" (First name) containing "I", "Apellido" (Last name) containing " ", and "Clave" (Password). There is also a QR code and the Elsevier logo at the top.A screenshot of a password strength meter and account creation options. It says "Choose a unique password with minimum 8 characters. Include at least 1 number, a mix of lowercase and uppercase letters and 1 symbol to make your password strong." It shows a strength scale from "WEAK" to "STRONG" with "STRONG" highlighted. Below it is a checkbox for "Stay signed in (not recommended for shared devices)". A note says "Elsevier may send you marketing communications about relevant products and events. You can unsubscribe at any time via your Elsevier account." It also says "By continuing you agree with our Terms and conditions and Privacy policy." A "Register" button is at the bottom, and a "I already have an account" link is below it.

d.- Once your credentials are set, your username will be your institutional email and the password you created. You can confirm that you have logged in correctly by checking that your initials appear in the top right corner, and by clicking on the attached icon, your UPSE name will appear.

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

e.- If you are outside the campus, you must verify your account using the "Check access' option. You will immediately receive an email at your registered institutional email address. You need to activate the link to validate the created account.

### Characteristics:

The Scopus database allows:

- The platform has three search options:
  - By documents: recommended for most users.
  - By authors: recommended for finding information about specific authors, their articles, and citations.

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

- By affiliations: recommended for reviewing the research history of an institution.

The screenshot shows the Scopus search interface. At the top, there is a navigation bar with links for 'Buscar', 'Fuentes', 'SciVal', and a user icon. Below the navigation bar is a search bar with the placeholder 'Empieza a explorar' (Start exploring) and the sub-instruction 'Descubra la investigación más confiable, relevante y actualizada. Todo en un lugar.' (Discover the most reliable, relevant, and up-to-date research. All in one place.). The search bar has three tabs: 'Documentos' (selected), 'Autores', and 'afiliaciones'. Below the search bar is a search form with a dropdown for 'Buscar dentro' (Search within) set to 'Título del artículo, resumen, palabras clave' (Article title, abstract, keywords). The main search input is 'Buscar documentos \*' (Search documents \*). To the right of the search input is a 'Buscar Q' button. Below the search form are links for 'Buscar Historia' (Search History) and 'Búsquedas guardadas' (Saved searches). A search tip is displayed: 'Comienza a buscar y tu historial aparecerá aquí. Si necesita ayuda para comenzar a buscar, consulte nuestros consejos de búsqueda.' (Start searching and your history will appear here. If you need help starting a search, consult our search tips.). At the bottom of the interface, there is a link 'Obtenga más información sobre lo que Scopus puede hacer por usted' (Get more information about what Scopus can do for you) and a 'Muestra menos' (Show less) link.

➤ To get better search results, it is recommended to use the terms in quotes and in English.

The screenshot shows the Scopus search interface with a search query 'GENETIC IMPROVEMENT' entered into the search bar. The search bar has tabs for 'Documents' (selected), 'Authors', and 'Affiliations'. Below the search bar is a search form with a dropdown for 'Search within' set to 'Article title'. The main search input is 'Search documents \*' (Search documents \*). To the right of the search input are 'Reset' and 'Search Q' buttons. Below the search form are links for 'Search History' and 'Saved Searches'. A search result summary shows '32 results' and links for 'Set Alert' and 'More'. A note at the bottom states: '(?) Your history is available during this visit, but will be deleted after you leave Scopus. Click 'More' to 'Save' important searches.'

➤ Document Search

### To work with the results

- Refine your results
- Results analysis
- Add to my list
- Export options: Export, Print, Send by email
- Create a bibliography
- Download
- Review the references and citations

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

The screenshot shows a search results page for Elsevier. At the top, it says "403,506 document results". Below this is a search bar labeled "Search within results". To the right, it says "Elsevier Research Intelligence". On the left, there is a sidebar with "Refine" buttons and a list of filters: Year (2017, 2016, 2015, 2014, 2013), Author Name (Brooks, H.E., etc.), Subject Area (Medicine, etc.), Document Type (Article, etc.), and Source Title (highlighted with a red box). The main content area is titled "Refine sus resultados" and contains a text box with instructions: "Limite o excluya los resultados basándose en listas de títulos de fuentes, Nombres de Autor, Año, Tipo de Documento, Área temática, Palabras clave, Idioma, Tipo de Publicación o Afiliación". Below this is a "Y/O" button and a "Buscar en los resultados (Search within results)" button.

- The "Citation Overview" functionality allows the calculation of citations for a selection of articles, all articles by a specific author, or all articles published by a particular journal each year.
- Affiliation or author profile. Analyzes the research performance of an institution or an author.
- **Journal Analyzer.** Evaluates the performance of a scientific journal.

### Impact Metrics:

- **SJR (Scimago Journal Rank):** This is a metric that weighs a journal's prestige. It equally distributes a journal's prestige across its total number of citations and normalizes differences in citation behavior across different subject areas.
- **SNIP (Source Normalized Impact per Paper):** Measures the impact of a citation based on the characteristics of the research field. On one hand, it levels the citation differences between various subject areas, and on the other, it levels differences in coverage, providing a normalized metric that allows for comparison of journals across different categories.
- **CiteScore:** Calculates the average number of citations received by all documents published three years before the metric. It is updated annually, and in addition to the indicator, the percentiles of the indicator are also presented.

# UNIVERSIDAD ESTATAL PENÍNSULA DE SANTA ELENA

## BIBLIOTECA GENERAL

- **H-index:** An impact indicator of a specific author's production. This indicator shows a balance between the number of citations a researcher receives and the number of publications they have made throughout their career.

### EAGORA SCIENCE DATABASE

This database aims to provide communication channels for high-quality academic reflection and a plural, open dialogue, making rigor and diversity compatible. It allows the creation of online knowledge networks, where members exchange innovative ideas and best practices.

Academic publications: indexed journals and books, with high visibility and international impact.

- Online knowledge networks, whose members exchange innovative ideas and best practices.
- Annual international conferences in English, Spanish, and Portuguese in the world's most important cities.

Provides communication channels for high-quality academic reflection and a plural, open dialogue, where the main goal is to develop and expand networks of knowledge worldwide through cutting-edge digital media, with a commitment to creating peer review processes that are more accessible, open, and reliable.

The communities are linked to the following areas of knowledge.

- International Community of Education and Learning.
- International Community of Technologies in Education.
- International Community of Technology, Science, and Society.
- International Community of Social Sciences.
- International Community of Human Sciences.
- International Community of Visual Culture.
- International Community of Arts and Cultures.

The platform allows access to virtual conferences on topics of global relevance in different parts of the world.

## BIBLIOTECA GENERAL

A screenshot of a document page from the EDU REVIEW journal. The page is titled "MARCOS NORMATIVOS DE EDUCACIÓN NO PRESENCIAL EN UNIVERSIDADES DE MÉXICO" and "Un análisis conceptual". Below the title, it says "Non Face-to-face education in mexican universities" and "A conceptual analysis". The authors listed are LILIANA YAÑEZ SORIA, RICARDO CHAPARRO SÁNCHEZ, and MA SANDRA HERNÁNDEZ LÓPEZ, from the Universidad Autónoma de Querétaro, México. The page includes sections for "KEYWORDS" (Policy framework, Distance education, Universities, COVID pandemic) and "ABSTRACT" (a brief description of the article's content). The page is numbered "1 de 12" and has a "Descargar" (Download) button in the top right corner.
